

Mother and daughter bonding

You and your mum can achieve youthful looks with LinC Aesthetic Clinic's Photolaser, which uses infrared light to expel whiteheads and blackheads, tighten pores, even out skin tone and stimulate collagen production. A complimentary treatment session is given for every two treatments purchased. Make an appointment at 6732 0208.

The spotlight is on mum!

This coming Mother's Day, make your beloved mother feel ultra special with one of these fabulous treats!
