

pore no more

ENLARGED PORES ARE TRICKY TO TREAT. TRY THIS THREE-PRONGED APPROACH.

2 AT THE DOCTOR

Linc's Photolaser (\$400-\$600 a session) is a medical laser that uses infra-red light to expel whiteheads, blackheads and tighten pores. The best part, there's no downtime. You get a matte complexion, more even skin tone and increased collagen production. Linc Aesthetic Clinic is at #21-01/2 Liat Tower, tel: 6732-0208
