

Do You Prefer **CHILLI CRAB** Or **PEPPER CRAB**

CHILLI CRAB VS PEPPER CRAB

DR PATRINA WONG, founder and medical aesthetic director, LinC Aesthetic Clinic

'Chilli crab. First, the presentation: the red from the chilli bits and the yellow and white from the beaten egg whet the appetite — even before you dig in. The composite texture of the gravy is very satisfying. The deep-fried man tou to dip into the gravy is a bonus, too!'
